

HOW TO BE A HERO

"Have no fear fair maidens! With courage in your heart, truth in your soul and luck on your side, you can do anything. I'm here to save you and not even a Razor-Backed Snapper can stop me!"

What does sock soup taste like, does it itch when a Fairy bites and just how fast can a winged horse fly?

Famous hero, Tom Thunder must find a magic feather to wake the princess from a thousand year sleep. But can he make it past the creatures of the wild land and is he quite as heroic as he says?

Find out the answer to this and many other questions in "How to be a Hero," a magical puppet show for a family audience. There's enough adventure for everyone and you might even get to see a Monster or two!

Created by Award winning Scratch built Productions www.scratchbuiltproductions.co.uk
